LOVE OFFERING FOR BOTH

In this workshop, you will discover the simplest, yet most powerful form of prayer, with which you can accomplish literal miracles.

Alan not only explains what makes Harmonic Prayer so powerful, but he also guides you gently through a series of guided exercises which will empower you to manifest whatever you may desire in life.

Some of the miracles Alan has performed:

- * Dispersing/redirecting a tornado (twice)
- * Weather control (many examples)
- * Manifesting "found" money
- * Recharging a battery with a word
- * Soul mate within 2 months
- * \$1000/hour photography jobs
- * \$20,000 gift
- * many, many more!

Allow yourself to believe, and you can do all this and more!

All attendees will also receive a special gift.
