If you are unable to join us physically, please join us in prayer, wherever you are!

At noon, Greenwich time, December 31, 2017 – (7:00 am Grand Rapids, Michigan time) men, women, and children around the world gather to participate in a comprehensive prayer activity— an annual planetary affirmation of peace, and love, forgiveness and understanding involving millions of people gather each year on this date in a simultaneous global mind link. The purpose: Change the polarity of the positive force field in the universal mind and, achieve a heightened awareness of spiritual consciousness to usher in a new era of Peace on Earth.

World Healing Day, World of Cooperation, World Peace Day – a moment of Oneness to dissolve the sense of separation and help to return to God consciousness. Whatever the term or label, it is a New Beginning in restoring this world to peace.
