This class is for those who are working on their spiritual and personal self-growth. We will take a deep dive into the teachings of Master Hamid Bey, which help us understand our place in the world, and how best to achieve the goals we have set for ourselves. Learn about the Universal Spiritual Laws that lead to balanced living. The benefits are greater clarity, improved decision-making skills, more energy and power to accomplish your own personal goals, and much more.

In 1937, Master Hamid Bey founded the Coptic Fellowship in Los Angeles, California. In the following years Hamid dedicated his life to teaching the Universal Principles of life throughout the United States. We continue those teachings through the Master Classes: one of many offerings at The Coptic Center.
